

A YEAR IN REVIEW

What a year 2018 has been! We at Latina SafeHouse want to extend our heartfelt gratitude to everyone that has crossed our path this past year. With every new year comes New Year's resolutions and changes. For our Latina SafeHouse family, one of those changes is the bittersweet departure of our former Executive Director, Gina Del Castillo.

Gina,

Thank you for your years of dedication, passion, and commitment to Latina SafeHouse and to the women we serve. Your vision has allowed us to grow in immeasurable ways. From your role as a founder to the past two years of direct leadership, everyone who has had the privilege to interact with you has been directly impacted. We wish you the best in your future endeavors!

*Sincerely,
The Latina SafeHouse Family*

The Board of Directors of Latina SafeHouse is pleased to announce the selection of Angela "Angie" Ceseña as the organization's new Executive Director. Please join us in welcoming Angie!

Dear Board, Community Members, and all Latinas that have walked through our door,

Thank you for the opportunity to serve as the Executive Director. I joined the Latina SafeHouse family as a Case Manager in March 2018 and my time here has only strengthened my commitment to serve survivors of domestic violence. With nearly ten years of experience in various non-profit roles and direct service work, I strongly believe that I bring new perspectives, a thorough educational background from Stanford University, and an array of skills that were refined during my international tenure in the Peace Corps.

I look forward to working with our community partners, creating new relationships, and serving our women and children with unwavering dedication. To our women: muchas gracias por darnos la oportunidad de servirles. Ustedes nos motivan y su fuerza nos ayuda a seguir luchando. Ustedes no están solas! Vamos a trabajar juntas para crear una comunidad y un mundo más justo.

*In community,
Angie Ceseña
Executive Director*

2019 has a lot in store for us. We cannot wait to share exciting new milestones with you!

- **2018 At A Glance** (page 2): We would not have been able to serve over 150 women and children in need if it were not for our community partners, donors, and community support.
- **2019 Sponsorship Opportunities** (page 3): We are hitting the ground running this year, with our annual LSH Golf Tournament set for June 28, 2019 at the Hyland Hills Golf Course. We have sponsorship opportunities for the first half of the year.

*If you would like to help us congratulate our new ED or simply introduce yourself, you may reach her at: angela@latinasafehouse.org.
